CITY & TRAFFIC

INTERNATIONAL PLANNING WORKSHOP

Civil Engineering and Transportation Engineering students are welcome to apply for the City & Traffic International Planning Workshop.

The annually organized City&Traffic International Planning Workshop's goals are promoting student cooperation and sharing professional knowledge through group assignments. The participating students and their university instructors come from universities of eight European countries. At the center of the assignments are livable, attractive, sustainable and safe settlements and traffic infrastructure. The language of the workshop is English.

Date of the workshop: **July 9th-15th, 2023**, location: **Győr, Győrújbarát**

Students can apply by filling out the application form available at the link below **until May 31st, 2023**.

<https://forms.gle/jM5NeCnU4n8HTMpv8>

The participation is free of charges and during the workshop the organizers provide accommodation (university dormitory) and two meals a day to the participants.

The students participating in the workshop can, according to their individual assessment, ask for their performance to be credited in one of the courses taught by the relevant departments (e.g. Civil Engineering BSc : International planning workshop).
